

## One Pot Tuna Casserole

- 1 (12 oz.) pkg. egg noodles **OR**  
(8 oz.) of any style pasta
- 1 can cream of celery soup plus 1 Tblsp. parsley **OR**  
1 can cream of mushroom soup plus  
1 small can of mushroom
- 1 can of milk
- 2 small cans of tuna (white or light)

Cook noodles or pasta until done, drain, set aside.  
In the same pan, mix soup, milk, and parsley or mushrooms.  
Add tuna and break into small pieces, stir.  
Cook for a few minutes so mixture is not cold.  
Add noodles or pasta.  
Stir to thoroughly mix.  
Heat until serving temperature stirring occasionally.

John likes the cream of mushroom version and always wants to add peas.  
I like the cream of celery with parsley version.  
This recipe also works well with canned salmon instead of tuna.
